Siddharth Begwani

22+ years' experience | CRM & CX Transformation | Large Program Governance | AI/ML Strategy

✉ [sbegwani@hotmail.com] ☎ +91 93395 05023 Kolkata, India (Open to fully remote, global roles)

PROFESSIONAL SUMMARY

Senior consulting executive with 22+ years of experience across CRM/CX transformation, large-scale program governance, AI/ML strategy, and digital transformation. Proven track record of delivering complex, multi-million-dollar engagements for global clients across the US, Europe, Japan, and Australia — the majority executed in a fully remote, offshore delivery model. Combines deep functional expertise in customer experience with hands-on capability in data science and machine learning, enabling both strategic advisory and end-to-end delivery leadership. Seeking senior remote roles where this blend of consulting depth, technology breadth, and global delivery experience can drive transformation outcomes for international organizations.

CORE COMPETENCIES

- CRM / CX Strategy & Transformation
- Large Program Governance & PMO
- AI, Machine Learning & Gen AI/Agentic AI
- Digital Transformation Consulting
- Salesforce.com & Microsoft Dynamics 365
- Client Engagement & Executive Stakeholder Mgmt.
- Business Development & Pre-Sales (RFPs)
- Offshore / Distributed Team Leadership
- Design Thinking & Process Re-engineering

PROFESSIONAL EXPERIENCE

Cognizant Technology Solutions (Oct-2006 to May-2026)

Career progression: Joined as Consultant (2006) → Senior Consultant (2010) → Manager – Consulting (2013) → Associate Director (2016) → Director (2023)

Director – CX/CRM Consulting Jan 2023 – May 2026

Senior consulting leader responsible for end-to-end delivery of CRM, digital transformation, and program governance engagements for global enterprise clients. All major engagements delivered in a remote/offshore capacity from India, managing distributed cross-functional teams and executive-level client relationships across the US, Europe, Japan, and Australia.

Key Client Engagements (Remote Delivery)

- **BNY Mellon, USA – Digital Call Centre Transformation** | Offshore Program Director | 2023–2025 | $4.2 mn
  - Led end-to-end governance of a large-scale digital call center transformation program for one of the world's largest custody banks, managing distributed teams across multiple time zones entirely remotely
- **Zurich Insurance, Japan – Digital Transformation (CRM Track)** | Offshore Project Manager | 2022 | Overall program $8 mn; CRM track $1.5 mn
  - Directed the CRM workstream of a company-wide digital transformation program, coordinating cross-cultural delivery between India, Japan, and Switzerland in a fully remote engagement
- **Reliance JIO, India – CRM Systems Evaluation** | CRM Consulting Lead | 2022 | Consulting $300K; downstream $1.2 mn
  - Conducted comprehensive evaluation of CRM platforms for one of India's largest telecoms operators, culminating in a strategic recommendation that unlocked $1.2 mn of downstream implementation work
- **Luminus, Belgium – Long-Term Demand Forecasting** | Consulting Lead & Data Scientist | 2021 | $300K
  - Designed and delivered an AI/ML-driven demand forecasting model for a major Belgian utilities company; applied advanced ML techniques to substantially improve forecast accuracy for long-term energy planning
- **Cargill (Global) – Omni-Channel Implementation** | Product Owner & Project Manager | 2020 | $500K

  - Managed global omni-channel CRM rollout for one of the world's largest agricultural companies, coordinating delivery across multiple geographies and business units
- **Riverside Company, USA – ERP Vendor Analysis & CRM Revitalization** | Consulting Lead | 2018–2019 | Consulting $400K; downstream $2 mn
  - Led ERP vendor selection and CRM process revitalization for a leading US-based private equity firm, generating $2 mn in downstream revenues
- **IDP Education, Australia – Event Management & CRM System** | PM & Lead Solution Designer | 2017 | Consulting $200K; total project >$3 mn
  - Delivered consulting, solution design, and build leadership for a bespoke CRM and event management system for a major Australian education services company

Business Development & Revenue Generation

- **Originated $10 mn+ in immediate downstream revenues** from pure consulting engagements across the 2017–2026 period
- Anchored 80+ RFPs and directly contributed to **$10 mn in deals won**
- Managed the VMware account for 6 years, generating average annual revenues of $300K; total contribution exceeding $1.8 mn
- Downstream revenues of $2 mn (Riverside), $1.2 mn (Reliance JIO), and $800K (Luminus) directly attributable to consulting work

People Leadership & Practice Development

- Maintained **~100% billable utilization of all direct reportees** over 6 years, with personal utilization consistently above 70%
- Achieved **zero attrition in the core consulting team** from 2017 to 2019 (team of 7–8); only five resignations during 2020–26 (team of 20+ direct and indirect reportees)
- Built an exhaustive Salesforce.com training library and detailed L4 process maps covering all major CRM processes, used as onboarding and upskilling resources
- Generated ideas for 30+ Agentic AI solutions in CRM covering Sales, Service and Marketing; each idea had an overview, client benefits and steps in implementation – a curated subset submitted to the technical team for feasibility assessment and development pipeline prioritization

Tata Strategic Management Group (May-2005 to Sep-2006)

Associate Consultant in the Technology, Media and Telecommunications practice

- Contributed to two major management consulting engagements
  - Process optimization to achieve 30% reduction in energy and utilities costs for VSNL
  - Formulation of a market entry strategy for a Healthcare BPO startup

Cognizant Technology Solutions (Feb-2002 to May-2003) (*left to pursue full-time MBA at FMS Delhi*)

Programmer Analyst in the Retail practice

- Delivered development projects using ASP.Net, JavaScript and C#

EDUCATION

Master of Business Administration (MBA) 2005
Faculty of Management Studies (FMS), University of Delhi

Bachelor of Engineering – Electrical 2001
Jadavpur University, Kolkata

MicroMasters – Statistics and Data Science 2019
